NOTE: This map is only as accurate as the public records from which it was prepared and is limited to the quality of the data used. It is NOT intended to be a substitute for an actual field survey. Maps were developed to aid the County and local assessor with tax assessment duties.

Described parcels were "fitted" to the County base map acquired in 1994. Source information for the development of parcels included property descriptions, surveys, and maps located in various offices of the Door County Courthouse. Mapped by Ruekert & Mielke, Waukesha, Wisconsin
