

# Village of Sister Bay

## Waterfront Park Tent Locations Map

There are three maps of the different areas of Waterfront Park that show areas where tents are allowed.

The green boxes are the permitted areas for tents.

The tent and tent stakes must be located within the green boxes.

Port-a-Potties must be located in designated areas.

When the tents are erected the underground facilities will be marked with the following colors:

Power lines will be marked in **RED**

Gas lines will be marked in **YELLOW**

Water lines will be marked in **BLUE**

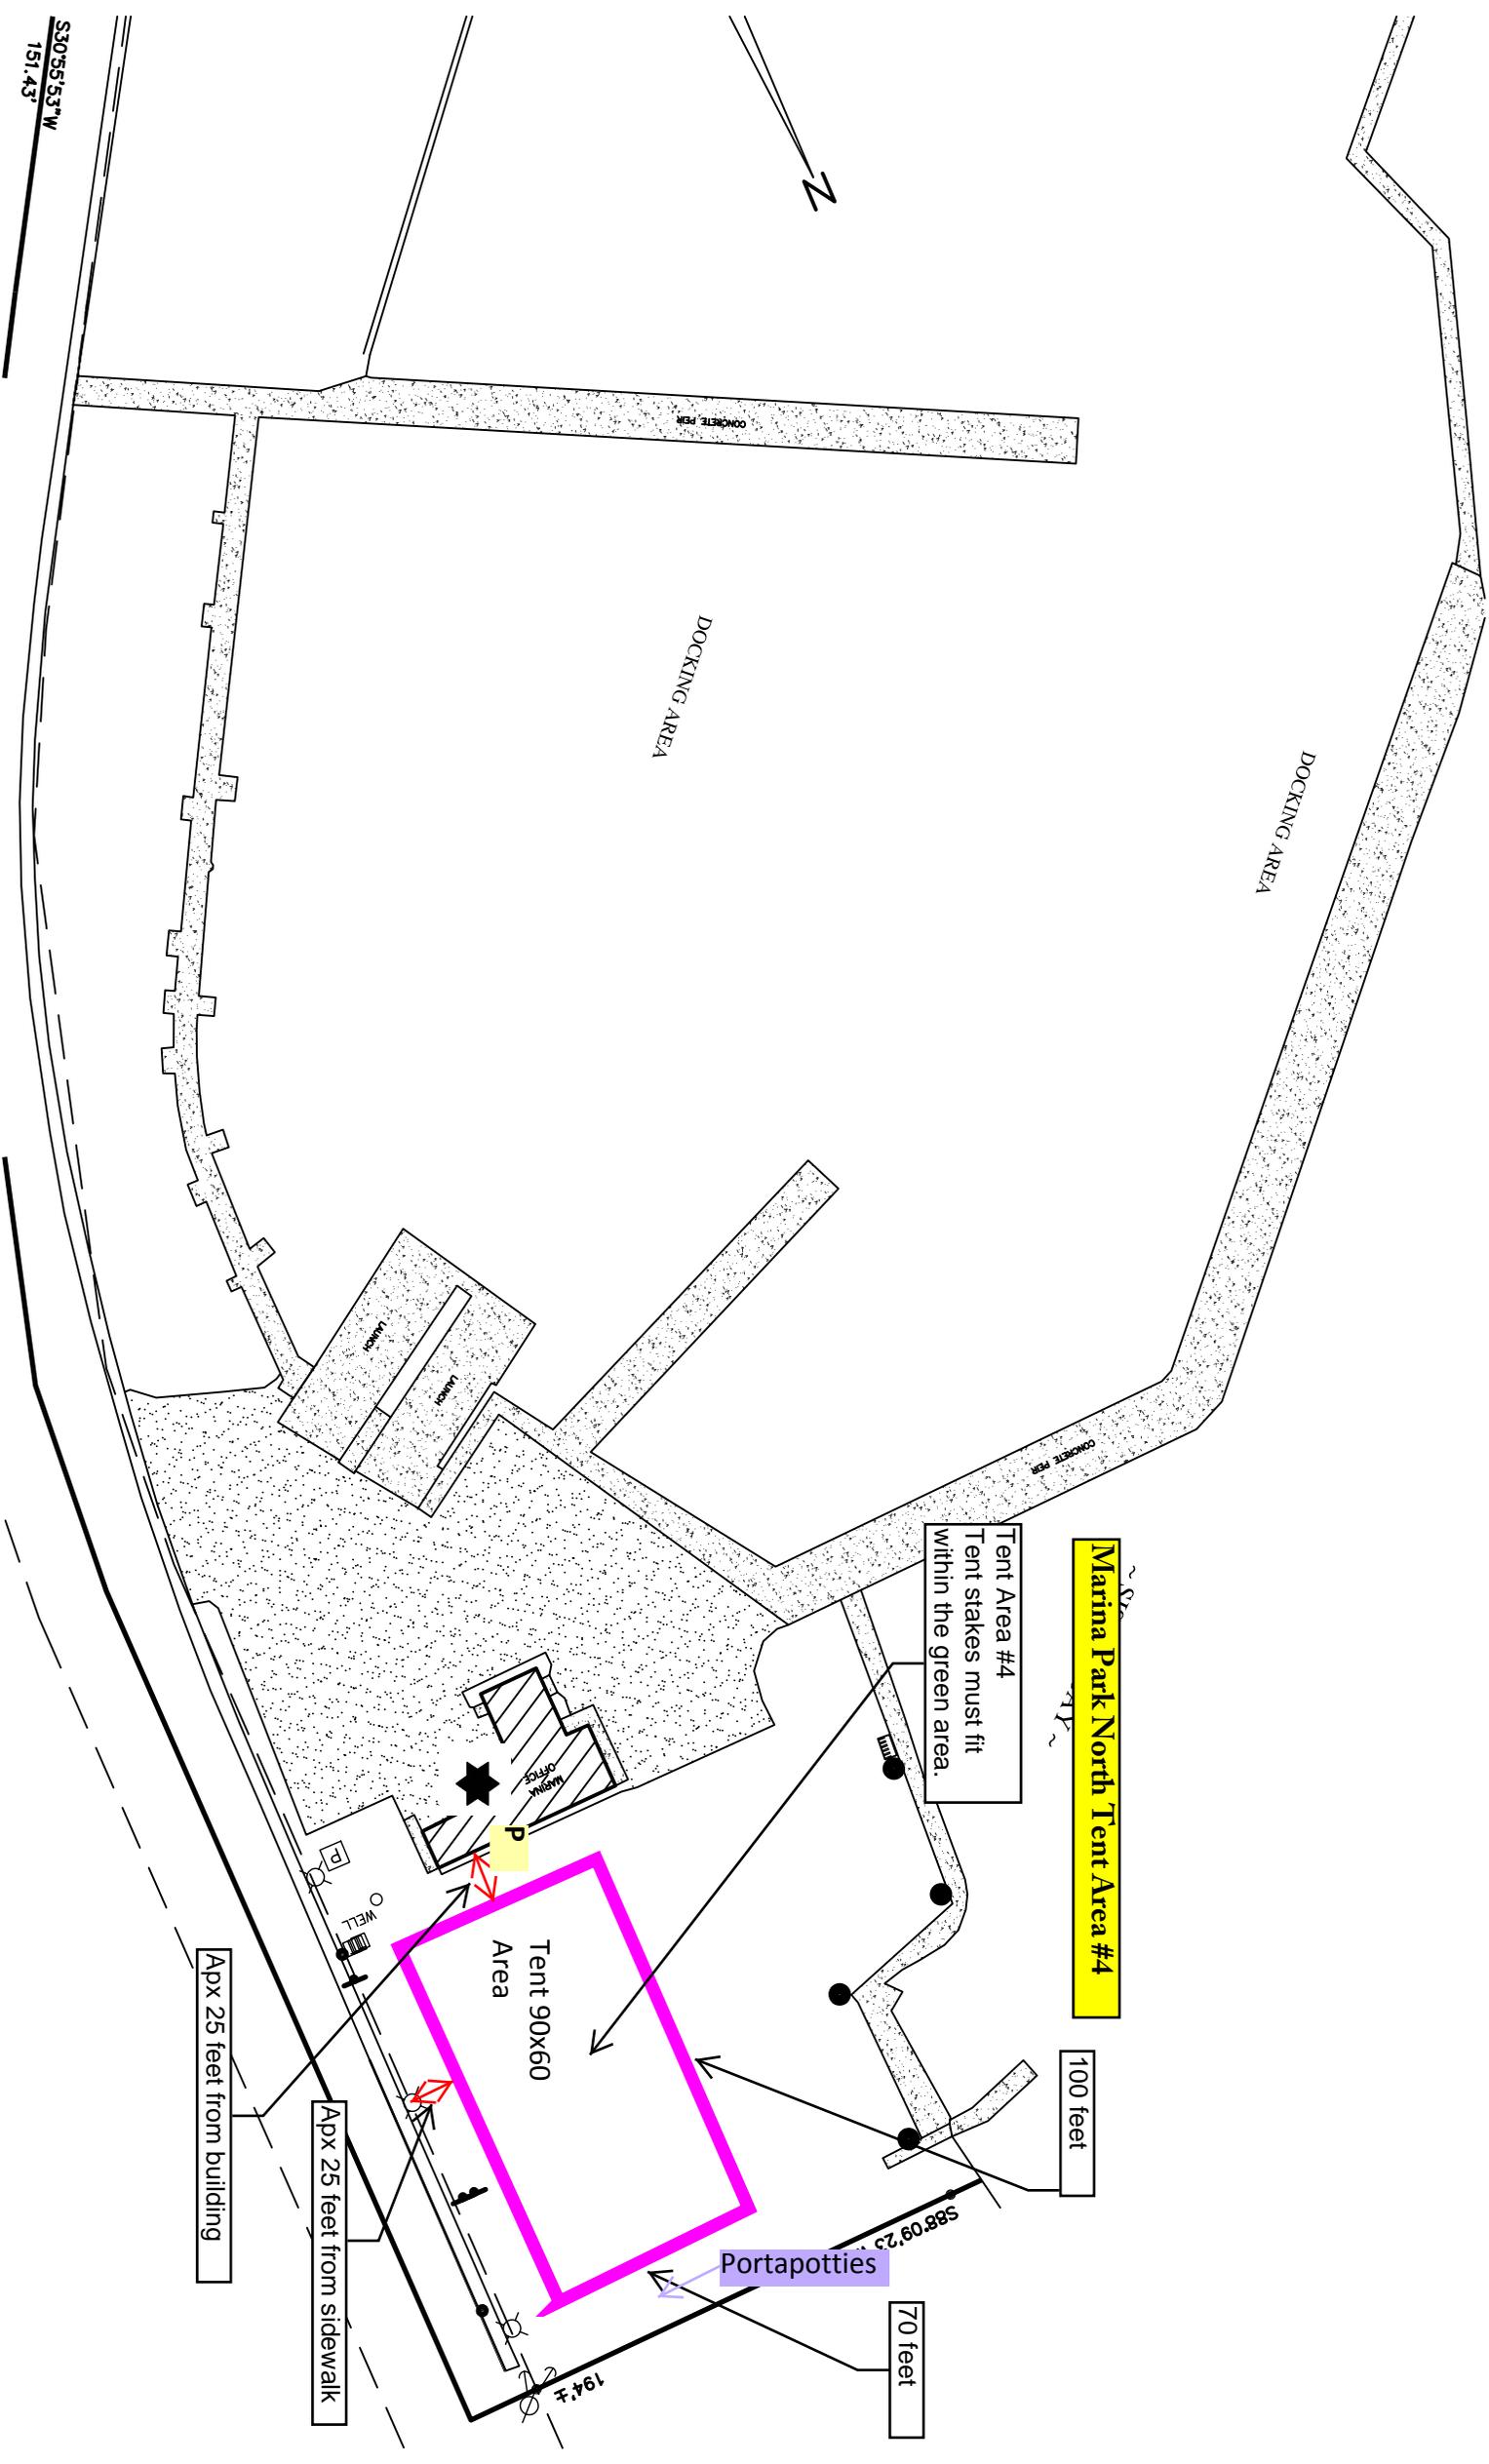

Tent areas will be marked in **WHITE**

The letter **P** on the drawings depict the location of outdoor receptacles.

A ★star depicts the location to store the power distribution center inside the Hendrickson Park Bathrooms, the J Dock utility building (green) or nearby the Marina Bathrooms.

**Marina Park North Tent Area #4**

Tent Area #4  
Tent stakes must fit  
within the green area.
