NOTE: This map is only an assembly of the public records from which it was prepared and is printed to the best of the compiler's ability. It is not intended to be a substitute for an actual field survey. Maps were developed to fit the County and land所有者 who he represented.

Boundary points were "tied" to the County base map applied in 1984.

Source information for this development of parcel located property descriptions, names, and maps located in various offices of the Door County Courthouse. Prepared by Robert G. Wiles, Technics, Inc.
